## [How do I apply for Financial Aid?](#)

FAFSA on the Web : Hill College recommends that students complete the Free Application for Federal Student Aid via the web. This process allows the student to enter new applications or enter renewal applications.

When the Student Information Services Office receives the Institutional Student Information Report (ISIR) from the federal processor, a file is considered active. A staff member will review the information reported from the student's application, and send a checklist of documentation that is needed to complete the file. Once a student receives a reply from the federal processor or Hill College, it becomes the student's responsibility to contact Student Information Services to complete his/her file.

**How do I know how much I will receive in financial aid?**

The amount of aid a student receives is based on the information reported on the FAFSA and how many hours the student is enrolled in. Contact Student Information Services for more information.

I am thinking of transferring to your school, will my financial aid automatically transfer with me?

## How do I register online?

Once your admission file is complete, you should make an appointment with the Academic Advising and Success Center to discuss your plans, choose a major, find out who your advisor is and discuss any possible testing requirements. Most students will be eligible to register online through the MyRebel student portal <https://myrebel.hillcollege.edu/ics>.

## How do I login to MyRebel/MyRebel login is not working

First, have you completed an application for admission and is your file complete? If so, go to the MyRebel student portal <https://myrebel.hillcollege.edu/ics>. For students, your username is your firstname dot lastname (example: john.doe). Your password is your last name (first letter capitalized) followed by the last four digits of your StudentID, not your SSN, (example: Doe1234). If you forget your username or password, you can use the [Forgot Username](#) / [Reset Password](#) link in MyRebel for assistance.
